The copyright and stock of Book 1, 2 and 3 of *The Holy Spirit, Life-Breath of the Church* with the Malines documents went in 2019 from *Fiat association* to *CHARIS* in Rome, [info@charis.international](mailto:info@charis.international). CHARIS has these books in Spanish, English and French. You can order the Dutch translation in The Netherlands [www.kcv-net.nl/kcv/webwinkel](http://www.kcv-net.nl/kcv/webwinkel) and in Belgium (KCV). \*Written by an international team of theologians and lay leaders:

The members of the international team (Carlos Aldunate, s.j. – Chile, Salvador Carrillo, m.sp.s. – Mexico, Ralph Martin – United States, Albert de Monleon, o.p. – France, Kilian McDonnell, o.s.b. – United States, Heribert Mühlen – Germany, Veronica O'Brien – Ireland, Kevin Ranaghan – United States, *Theological Consultants*: Yves Congar, o.p. – France, Avery Dulles, s.j. – United States, Michael Hurley, s.j. – Ireland, Walter Kasper – Germany, René Laurentin – France, **Joseph Ratzinger** – Germany) wish to thank Paul Lebeau, s.j. and Marie Andre Houdard, o.s.b. for their secretarial services. The international team present in Malines has agreed to the text as written and signed it together with Father Kilian McDonnell, who wrote the first draft and had the responsibility of formulating the final text.

\*\* The Document n°5 *Nature and Grace, a vital unity*, is [on the web](#) but has not been included in the re-issue of *Malines Documents* in *The Holy Spirit, Life-Breath of the Church*. On page 9 of Book I is written: 'because it is not directly related to the Charismatic Renewal'. Later this decision was observed as an error of estimation.

\*\*\* New edition of the books of Cardinal Suenens in 2001, collected under the title *The Holy Spirit, Life-Breath of the Church*, Book I, II en III.

A complete list of the writings of Cardinal Suenens can be found [HERE](#) thanks to the Cardinal Suenens Center at John Carroll University.
